REVIEWING PROCESS FOR I.S.RIVERS 2025

Thank you for your involvement in the abstract selection process for the I.S.Rivers 2025 conference.

We are using a new tool to enable you to review and score the abstracts assigned to you, developed for the Graie, co-organizer of this conference alongside the ZABR.

You have received an e-mail inviting you to the I.S.Rivers reviewers' portal. Each reviewer has his or her own review portal, linked to his or her e-mail address.

The portal can be found at the following address https://isrivers2025.zcrmportals.eu/portal/ISRIVERS2025/crm/login.sas

Once your portal has been activated by creating your password, you can follow the procedure below.

If you have any questions, please do not hesitate to contact us at isrivers@graie.org or 04 72 43 63 01.

Step 1 - Connect to the portal

https://isrivers2025.zcrmportals.eu/portal/ISRIVERS2025/crm/login.sas

- Id : your e-mail address
- Password : created by you when you activated your access

| ← → C a O A = https://isrivers2025.zcmportals.eu/portal/ISRIVER | ☆ ♡\\\@ | |

Step 2 - The portal open on the Contacts tab

This tab shows you contact information.

Click on the tab called « Relectures » to access the abstracts you need to review and score.

Step 3 - The Reviews tab (Relectures)

This is where you'll find all the abstracts that you have been assigned to review.

To access a reviewing page, click on the number R-0...

You can quickly see which abstracts have already been marked.

Step 4 - Read the abstract to review

The Reviewing page that opens contains the main information about the communication you are to evaluate.

Scroll down the page to find out more.

| école nationale polytechniques Alger (ENP) Titre FR La caractérisation socio-économique des usages de l'eau dans la ville d'Alger et ses environs. | Title ENG Socio-economic characterization of water uses in the city of Algiers and its surroundings. |

Step 5 - Download the extended abstract

Click on the \checkmark symbol on the right to download the document (text format).

Step 6 - Score the abstract

Click on the **NOTER LA COMMUNICATION** button to open the scoring form.

Abstracts are evaluated according to the following criteria:

- Consistency with the conference themes,
- Innovation (originality of approach, interest of subject, results never presented before, etc.),
- Quality of the work presented (including bibliographical references for scientific papers),
- Transferability of information and experience,
- Clarity of the proposal (approach, objectives, conclusions and quality of writing).

| | | | | | | | | | | | |

Step 7 - The scoring form

Authorize pop-ups to open the form. Select the english version of the form at the top of the page.

You will find the title of the paper to be rated as a reminder.

Enter scores from 1 to 10 for each selection criterion, along with your comments for the author or the scientific committee, then click on Submit.

You can modify your rating in this form or directly in the review, if required.
